## A Thought for Today about Optimism

by  
Dr. Johnny R. Almond

**Optimism is the reflection of the cross of Jesus Christ shining in your heart . . . a plus sign!**

There are plenty of pessimists in the world – folks who are quick to point out signs of despair.  
This miserable age could use more *optimists* – folks who look forward to heaven on earth.

There are more than enough cynics in the world – people who doubt God’s promises.  
Heaven give us more *true believers* – people who lean all their weight on God.

There are many skeptics in the world – incurable questioners of new remedies.  
God bless us with more *trusting souls* – saints who welcome divine change.

There are too many road-worriers – folks wringing their hands in panic.  
God give us more “*silver-lining*” folks – folding their hands in prayer.

***“Many people say, ‘Who will show us better times?’  
Let the smile of your face shine on us, LORD.”  
(Psalm 4:6 NLT)***
