A Thought for Today about character

by
Dr. Johnny R. Almond

**“Don't worry so much about your self-esteem. Worry more about your character and integrity.”
- Laura Schlessinger**

Focusing on self-esteem gets all life out of focus . . . and feeds narcissism.

Fretting about self-fulfillment empties the heart . . . and feeds pessimism.

Fuming over self-actualization burdens the mind . . . and feeds cynicism.

Following Jesus Christ is the antidote to all these egocentric ailments.

***“I have been crucified with Christ. I myself no longer live, but Christ lives in me. So I live my life in this earthly body by trusting in the Son of God, who loved me and gave himself for me.”
(Galatians 2:20 NLT)***
