A Thought for Today about being real

by
Dr. Johnny R. Almond

**“The shortest and surest way to live with honor in the world
is to be in reality what we would appear to be.”**

- Socrates

Practicing what we preach is helpful . . . we learn the difficulty of obedience.
Translating beliefs into behavior produces the most readable translation.

Serving other people is humbling . . . we learn the definition of greatness.
Imitating Christ’s downward mobility leads to life’s highest reward.

Being fair and kind is honorable . . . we learn the delight of courtesy.
Prioritizing justice and mercy authenticates faith’s profession.

“How terrible it will be for you teachers of religious law and you Pharisees, Hypocrites!”
(Matthew 23:23 NLT)
