A Thought for Today About Certainty

by
Dr. Johnny R. Almond

***“We can be absolutely certain only about things we do not understand.”
- Eric Hoffer, *The True Believer****

We live in a world of uncertainties . . .

Will there be a terrorist attack on America in the next 3-6 months?
Will the polar ice caps melt in a few decades?
Will we pull out of the recession soon?

By faith, we can rest assured of some great certainties . . .

All of us humans are sinners, and we cannot save ourselves.
Life abundant and eternal is ours through Christ's power.
Christ died for our sins and rose again to save us.
Heaven will materialize in God's good time.
Jesus is the Way to the Truth of Life.

***“We know that the Son of God has come and has given us understanding,
so that we may know him who is true; and we are in him who is true, in his Son
Jesus Christ.***

He is the true God and eternal life.”

(1 John 5:20 NLT)
