A Thought for Today about Accountability

by
Dr. Johnny R. Almond

In the final analysis, it's between you and God – not you and others.

When the work is complete, we will explain ourselves to our Master.

When the battle is over, we will report to our Commander in chief.

When the journey is finished, we will see our Savior face to face.

When the day is done, we will kneel before our Creator.

When the play is over, we will meet our Director.

When time is past, we will stand before God.

*“No creature is hidden from his sight, but all are naked and exposed
to the eyes of him to whom we must give account.”*

(Hebrews 4:13 ESV)
