## A Thought for Today about faith

by  
Dr. Johnny R. Almond

**“There is nothing that can help you understand your faith more than trying to explain it to an inquisitive child.”  
- Frank Clark**

Children ask those really tough questions adults rarely ponder.

Adults who keep their childlike heart begin to perceive the answers.

The “why?” questions usually seem to be the most difficult to handle.

“Because” doesn’t usually satisfy the breaking heart or the perplexed mind.

Doing the hard work of really thinking through our faith will make it more robust.

***“Let the children come to me. Don’t stop them! For the Kingdom of God belongs to such as these.***

***I assure you, anyone who doesn’t have their kind of faith will never get into the Kingdom of God.”***

(Mark 10:14-15 NLT)
