A Thought for Today about God

by
Dr. Johnny R. Almond

**“The closer you live to God, the smaller everything else appears.”
- Richard Warren**

Presidents and prime ministers are clay figures overruled by the King of kings.

Superpowers are kittens intimidated by the roar of the Lion of Judah.

Movie stars are unknowns overshadowed by the Light of the world.

Tyrants are paper tigers tamed by the God of unlimited power.

Worries are nightmares transformed by the dream of heaven.

***“All the nations of the world are nothing in comparison with him.
They are but a drop in the bucket, dust on the scales.”
(Isaiah 40:15 NLT)***
