A Thought for Today about God's promises

by
Dr. Johnny R. Almond

**“Every divine promise is built upon four pillars:
God's justice or holiness, which will not suffer God to deceive;
God's grace or goodness, which will not suffer God to forget;
God's truth, which will not suffer God to change;
and God's power, which makes God able to accomplish.”
- Salter [adapted]**

The future is bright because of God’s plan – truth trumps error.

The future is bright because of God’s pity – grace forgives guilt.

The future is bright because of God’s purpose – love wins over hate.

The future is bright because of God’s promise – hope cancels despair.

***“This truth gives us the confidence of eternal life,
which God promised us before the world began – and he cannot lie.”
(Titus 1:2 NLT)***
