A Thought for Today About Easter

by

Dr. Johnny R. Almond

"If Jesus Christ is not alive, then I see no hope for the world."

- Konrad Adenauer, Chancellor of West Germany 1949-1963

If Easter had not happened . . .

If the tomb was not actually empty . . .

If Jesus had not literally risen from the dead . . .

The consequences for the church would be staggering!

It would be like the sun not rising in the morning . . . then what!?

Without Easter, preaching would be useless and deceitful.

Apart from Easter, working for Jesus Christ would be a waste of time.

If Easter were not true, faith would be a mirage and forgiveness a lost cause.

If Easter were a fabrication, believers who died before us would be dead and gone.

But the sun has risen! The light of heaven beams from an empty tomb.

The Resurrected Christ is the linchpin of Christian faith and hope.

Our hearts are full because the tomb is empty.

"In fact Christ has been raised from the dead."

(1 Corinthians 15:20 ESV)
