A Thought for Today About Resurrection

by
Dr. Johnny R. Almond

“Immortality is the glorious discovery of Christianity.”
- William Ellery Channing

The goal of life is not a ticket to heaven . . . it is a *renewed body in a renewed creation.*

There's a dramatic difference between our present bodies and our future bodies.

The grand resurrection chapter of the Bible spells out the discontinuity.

Humiliating bodies become glorious . . . *never hurting again.*

Dusty bodies become Christlike . . . *never sinning again.*

Natural bodies become spiritual . . . *never dying again.*

Weak bodies become strong . . . *never tiring again.*

“Our citizenship is in heaven, and from it we await a Savior, the Lord Jesus Christ, who will transform our lowly body to be like his glorious body, by the power that enables him even to subject all things to himself.”
(Philippians 3:20-21 ESV)
