Worth the Wait

*“I waited and waited and waited for GOD.
At last he looked; finally he listened.”*

(Psalm 40:1 THE MESSAGE)

I reward your patience and provide you with a fair hearing. I am the Wonderful Counselor – nearer than hands and feet, closer than breathing. Good things take time ... impatient restlessness leads only to evil. *My Presence is worth the wait.*

I realize your predicament and provide help. My loving heart blesses the desperate. Flowers grow because they want out of the dirt. You grow up in Christ when you get tired of wallowing in moral mire. Maturing spiritually takes time but it's the best thing in life for you. My loving heart yearns for you to become like My Son – My dream for you is that you reflect His goodness. *My purity is worth the wait.*

I respond to your prayer and fill you with hope. I have a design for all of creation ... I have a blueprint for your life. Walk on My path, and I'll steady your step. Hold the hand of the Everlasting Father, and enjoy dividends from eternal treasures. *My plan is worth the wait.*

I replace your perplexity and give you a hymn of praise. I inspire new songs every morning ... fresh hymns of praise to the God of Love. Even in prison, I taught Paul and Silas to sing – I can do the same for you. Discouraging circumstances cannot kill the melody I have given you – even at midnight, you can sing My praises. Be sure you sing well – others are listening. *My peace is worth the wait.*

I reach out to you in your poverty and give you real happiness. When you place the government of your life on My shoulders, I give you joy, confidence, and serenity the world can never provide. When you honor Me as Lord of your life, I completely satisfy your soul. When you bring Me your cares, you can live a carefree life. The greatest blessing you can enjoy is to know a satisfied, contented life. Learn to be satisfied with what I give you ... be genuinely rich. *My provision is worth the wait.*

In My waiting room, know you won't have to wait very long. Pay the price of heartfelt prayer and persevering patience ... though the dark night seems endless, pray for the dawn ~ I promise heaven's blessings will definitely be worth the wait.
