Envisioning the Invisible

*"There they saw the God of Israel."
(Exodus 24:10 NLT)*

My holy majesty is visible in My Son's face. Christ reflects My fatherly nature and represents Me perfectly. Love is personified in His life. Observing him, you see My likeness. Dining with him, you share a meal with Me. *Reverence Christ ~ **comprehend My gracious personality.***

I engineer all circumstances with your best interests in mind. Pain teaches lessons you would never learn otherwise. High seas amplify harbor celebrations. Disappointments make you hold My hand and find true joy. *Submit to your Sovereign ~ **experience My infinite goodness.***

I am dying to meet you. I made My sinless Son the offering for your sins. By His blood He purifies your heart so you know guilt-free living. I have written My rules in your mind so you can bring your behavior into line with My wisdom. *Overshadowed by the cross, boldly enter heaven's Inner Sanctum ~ **behold My brilliant radiance.***

I am the Immortal, Unseen King, always keeping you in mind and taking good care of you. You cannot see Me, but you can trust Me and have peace too wonderful for words. *Relax ~ **know My serenity.***

My image sharpens in crises. You appreciate My comfort more when life hurts. I am the Victor over death, hell, and the grave ~ making you triumphant over lesser enemies -- tempting demons, current frustrations, menacing worries. *Focus the eyes of your heart on your Invisible Friend ~ **visualize My optimistic bright future.***

I have placed you in a family to counteract loneliness, and made you part of a believing community to encourage and reinforce your faith. *Listen to encouraging voices ~ **perceive My love.***

My hand crafted the breathtaking cosmos. I whispered innumerable blazing galaxies into existence. I snapped My fingers and the bright blue marble you call home appeared out of thin air. *Open your dull eyes ~ **observe My grandeur in creation.***

My throne is made of mercy, not marble. My Presence will guide you through life's labyrinth, and give you a perpetual melody to cheer you on until you see My smile. *Whatever happens, keep on praying ~ **picture My heart.***
