## *Receiving God's Spirit*

*“Without warning there was a sound like a strong wind –  
no one could tell where it came from. It filled the whole building.  
Then, like a wildfire, the Holy Spirit spread through their ranks and  
they started speaking in a number of different languages as the Spirit prompted them.”*  
(Acts 2:2-4 THE MESSAGE)

*Let My Divine Wind blow through your life and cleanse you of iniquity.*

I sweep away moral trash if you turn your heart in My direction.  
I move you toward My will if you turn your heart away from all evil.  
I flood you with light if you firmly refuse to walk in perverse darkness.  
I purify you if you let My holy hurricane roar through your inner being.  
I burn away all undesirable elements if you let Me baptize you with fire.  
I reassure you of My love if you nestle near My heart and detest sin.  
I give you joy too wonderful for words if you trust My omniscient mind.

*Let My Vitalizing Breath ignite your passion and set your soul aflame.*

I resurrect you to new life if you desert your egocentric deadness.  
I soak you with My Spirit Rain if you grow tired of emotional drought.  
I help the young envision a brighter future if you believe My promises.  
I help the elderly dream of a painless, tearless, deathless day if you trust Me.  
I let you find life's noblest purpose if you want to serve Me wholeheartedly.  
I embolden you to live courageously if you hold My omnipotent hand.

*Let My Holy Spirit change you from inside out and revolutionize your life.*

I cheer your heart if you become intoxicated with heaven's sweet wine.  
I lead you to know the truth if you turn a deaf ear to Satan's propaganda.  
I guide you to speak My native tongue if you're weary of the Devil's dialect.  
I teach you to speak beautiful languages if you really want to learn them –  
sacrificial love, not selfish talk; invulnerable joy, not ungrateful whining;  
calm peace, not restless chatter; lasting patience, not ignorant criticism;  
kindness, not insensitive small talk; lavish generosity, not stingy self-talk;  
dutiful loyalty, not dropout talk; angelic gentleness, not rude sarcasm;  
supernatural self-control, not indulgent devilspeak.  
I inspire spontaneous creativity if you do not extinguish My eternal flame.  
I energize you to do what pleases Me if you rely on My unlimited grace.  
I empower you to accomplish all I ask if you trust My almighty power.  
I grant you the pleasure of my company if you seek My omnipresent Spirit.

I am able to do infinitely more than you could ever ask, wish, or imagine.

Pray your highest prayer ... I will answer it by sculpting you into My image.  
Tell Me your deepest desire ... I will bless you by giving you My desires.  
Share your fondest dream with Me ... I will make it come true in My time.

I am your Center of Gravity ~ be sure you never stifle My Spirit!
